

## **Hello Dolphins!**

Just as the Olympian swimmers and divers prepare for the upcoming games in London this summer, your Cherry Hill Swim & Dive Team Boosters are gearing up for another great season of swimming and diving!

### **SWIMMING @ CHERRY HILL**

Summers at Cherry Hill showcase recreational swimming at its best. We are part of the Northern Kentucky Swim League with dive meets every Tuesday and swim meets every Thursday beginning in mid-June through the end of July. We offer three morning practices and two evening practices per week and our coaches are committed to bringing out the best in each and every athlete. Aside from our excellent coaching team, the older kids love mentoring the new and younger kids. No matter what your child's ability, they WILL improve over the summer – and they WILL have fun! And you know, swimmer Michael Phelps and diver Abby Johnston, all started out at a local swim or dive club, just like our kids!

### **COACHING STAFF**

Returning for his third year of coaching our swimmers is Tony Savicki. Tony graduated from Conner High School in 2008 and began his swimming career in the NKSL when he was eight years old. After high school, Tony swam at the collegiate level for two years and is currently finishing his Bachelor's degree in Sports Marketing at NKU. Tony likes to put the fun in swimming and likes teaching all levels of swimmers. He is looking forward to another great, fun season at Cherry Hill.

New this year is our dive coach, Kristina Rawe. Kristina has been an art teacher at Burlington Elementary for the past four years. She was a diver for Dixie Heights High School and Transylvania University in Lexington. Kristina dove at Dive Cincinnati for over ten years and has coached diving for area swim clubs, including Four Seasons, Beechwood, and Mt. Lookout. Kristina is currently the varsity dive coach at St. Henry District High School. Outside of diving, she is married to Matt Rawe and has an adorable daughter, Maria. Maria can't wait to come to the pool for lessons, to jump off the board, and to cheer for the Dolphins! Kristina looks forward to a fun summer of diving at Cherry Hill.

## **OLYMPIC-SIZED FUN FOR EVERYONE – EVEN THE PARENTS!**

Although the team is for the kids, the parents have a whole lot of fun all summer long too. And one of the best benefits of being on the team: making new friends ... for life! So, plan on a summer of Olympic proportions as we swim, dive, and have fun all season long:
