Discover what your friends already know about **Cherry Hill Swim Club**.

Cherry Hill Swim Club is a privately owned family membership swim facility. The club is located in Cherry Hill subdivision just outside Erlanger on 1.3 acres. Memberships are limited to just 150 families, so as to maintain and promote a relaxing, non-crowded atmosphere. **Cherry Hill Swim Club** does not seek to compete with the huge water park pools or the 500 family membership facilities that run short on pool space, parking spaces, and lounge chairs by noon on a hot day. Instead, it markets itself to those who seek a small country club feel where the staff knows all members by their first name and members can enjoy a lazy summer day basically alone or with a group of friends.

Unlike every other neighborhood swim club in Northern Kentucky, we do **not** require a bond to be purchased which could range from \$500 to \$1200 per family. A low cost annual membership fee is the **only** requirement to join. Memberships are available at different levels to suit your needs.

Cherry Hill Swim Club offers programs such as Adult Water Aerobics, Red Cross certified swim lessons, the Dolphins swim & dive team, adult nights, Crafty Kids and other family fun activities throughout the summer.

Now accepting memberships at an affordable price for the 2010 Summer Season.

Don't wait too long, only 35 membership left.
