Sometimes, simple is better ...

Whether you're spending the day with family or friends, or lounging by yourself poolside ... there's always a chair for you at Cherry Hill Swim Club.

Cherry Hill Swim Club believes that during the summer, simple is better ... a swimming pool, concessions, friends, and a chair to hang your towel – there is no better way to spend a hot summer afternoon. At Cherry Hill, the staff knows your name, the water is cool, and the pool is never crowded. We offer swim lessons, a swim team, movie nights, family days, and the chance that your summer friends may actually become your friends for life. Call us and see how you can make your life ...simple.
